

Introducing...

# The Batavia Local Schools Parent Portal!

Batavia Local Schools has launched a new and exciting online parent portal for our parents. This portal will allow parents to:

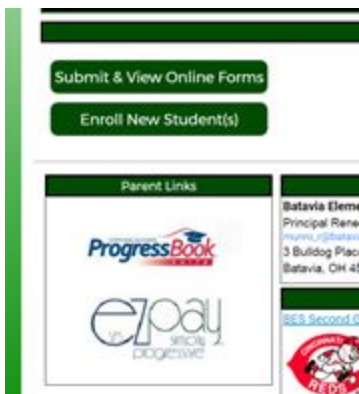

- Fill out and submit yearly forms
- Fill out and submit athletic forms
- Access the new EZPay payment system
- Have easy access to ProgressBook
- View busing information
- Access school news and events

To create an account, simply go to: <https://batavia.esvportal.com/Login.aspx>

**IMPORTANT:** you will need your student's ID number to attach each child to your account. Your child's ID number can be found on their final report card or under their profile name in ProgressBook.

Once you have created a parent account, you can create an EZPAY account using the Parent links section.

EZPay provides a way to:

- View and pay school fees
- Pay athletic fees or purchase family passes
- Load funds onto a student's lunch account
- View their meal history.
